

LJUBLJANA / 1 DAY / 4 CHALLENGES

27th May 2017 at Kreativni center Poligon (Tobačna 5, 1000 Ljubljana)

APPLY TILL 25th MAY 2017: <https://www.iconomi.net/hackathon-event/>

We are excited to kick off the first **ICONOMI Blockchain Hackathon!** The one-day long task will be to build a blockchain-based application and tackle some of the challenges facing the fintech sector.

WHY PARTICIPATE?

You will get the chance to meet the people that are changing the world of finance, and be part of an experience that brings a new profound appreciation of the possibilities provided by blockchain technology.

WHO?

We will be searching for the most intuitive and lean solutions to incorporate in our Digital Assets Management Platform. All **hackers, developers and designers** are invited to participate.
